

Minutes October 9, 2007

1. Special recognition went to Terry Vildibill as our outgoing chartered organization representative. She will pass on signed permits for our room reservations to Jim and she'd like a home for pack items stored in her garage.
2. Hanh presented our treasurer's report and we have a fantastic cushion. However, she needs to close out books from last year. So all summertime receipts must be turned into Hanh ASAP. We agreed to keep our membership rate for our returning scouts at \$95.00. Dues are due 10/31!
